**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T was continually raising my prices and giving me terrible service. I am a low income senior, living alone, so Telephone and Broadband are critical to my home and small business. I felt stuck with AT&T. I live on a hill where reception has been spotty. I was so grateful when Sonic brought service to my neighborhood. My costs are much lower and service is reliable and much faster! Please do all you can to allow competition so consumers have choices that will limit price gouging and encourage fiber in outlying areas.
